

Used Truck Center (UTC) Vehicle Receiving Inspection

Task String 999-133-001

Perform an inspection on all vehicles within 48 hours of receiving at UTC (except those designated to be sold "As-Is"). Refer to Maintenance Operations Procedures 8.01 and 8.06.

Unit Number	Odometer Reading	Name of Out-Servicing Technician	Location Code	Date			
Remember The Maintenance Promise!							
Worksheet Codes: ✓ = Ye		es (OK as is) O = No (Follow	/-up needed) NA = Not /	Applicable			

Safety Alert: Chock wheels before inspection.

Instructions: If an Activity / Inspection Item is marked "N" it requires follow-up. Write the Weight number shown for that item in the Assessed Points

column. Enter 0 (zero) Assessed Points if item passes. Add all Assessed Points and write the amount in Total Points.
